DESCRIPTION: With our Pivot Point program, the student will learn to see, think, create and adapt like a professional designer starting the first day of class. Our modular approach to teaching has students on a schedule where they focus on one core subject at a time. This makes the learning process easier AND teaches the 'why,' not just the 'how', of the design process. The program includes 500 clock hours of classroom training (Academic Instruction), and 700 clock hours of service requirements (Practical Applications) under the supervision of a Florida Licensed Cosmetologist.
